WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Vv and Ww.

In phonics, we started learning about consonant blends. We learned sn, sl, sp, and st.

We took the week off from SEL for Valentine's Day and catching up on other things. We will resume next week.

We started a new topic about numbers to 100 (patterns on the chart, counting by 5's and 10's, and 1's).

We started Module 6 in reading. We read the books: Take Me Out to the Yakyu and Take Me Out to the Ballgame. The vocabulary words were: anthem, team, cheer. Ask your child to show you the sign language for these words.

In writing the students completed their How To's. They are going to share them with the class and their 5th grade buddies.

For shared reading we read a lot of valentines books. We decorated bags, passed out valentines, and did several other fun activities.
