weekly newsletter

JANUARY 29 - FEBRUARY 2

WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Hh.

In phonics, we learned about Xx & Qq. We learned that Qu and Uu are best friends :) We talked about the Magic or Silent E. This will make the vowel say its name. They really like the songs and videos we've watched for this concept.

In SEL (Social Emotional Learning) we learned about how to manage our anger. Using breathing, words, self-talk, are ways we practiced.

We continued to learn about teen numbers up to 19. We composed and decomposed the numbers to find out that the 1 in a teen number means it is a group of ten.

We finished Module 5 in reading. We read the books: Emmanuel's Dream and I can Ride a Bicycle. The vocabulary words were: respectful, hero, disability. Ask your child to show you the sign language for these words.

In writing the students are writing How-To's. This week they were given topics, but next week they will pick their own.

In Science we continued to learn about Force. This week focused more on how to change the direction and speed of something. We did a few experiments to show this using a ramp and a toy car.
