weekly newsletter

MARCH 4-8

## WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Yy.

In phonics, we learned double ending consonants, -ff, -ll, -ss, -zz, -ck. We will continue to learn about this. The sight words to add you your ring were: down, off.

In SEL (Social Emotional Learning) learned about problem solving and trying to solve a problem on our own.

We review the 4 basic shapes this week. We talked about how they are 2D. Next week we will learn about 3D.

We started Module 7 in reading. We read the books: The Last Stop on Markey Place and Not a Box. The vocabulary words were: familiar, free, watch, wonder, witness and world.

In writing I told the students they could write about something that they did last week(end). It needed to be a story written across pages with no help. I wanted something to show parents at conferences.

In science we learned about how animals change the environment. We will continue with this topic next week.

## REMINDERS/NOTES

- Thank you so much for being prompt for your conference time and patient if I was running a few minutes late. There is just so much that has happened since the last time we conferenced. I enjoyed meeting with all of you. If you have any questions, concerns, or just need some more information, please, please reach out to me.
- The kindergarten music program is on Thursday, March 21st. It is a pajama themed program. Please have your child dress in pajamas that evening, no slippers. Students will need to be in our classroom at 6:10. It's going to be so cute!!
- There is no school on Monday for staff or students! Enjoy the day with your child.
- There be a GES Food Drive next week. Here is the information for the event: [GES Food Drive](#)
- Next Friday night is BINGO night at GES! This is such a fun event for families! This event starts at 6:30.
