weekly newsletter

## NOVEMBER 13-17

### WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Aa.

In phonics, we learned more about the letters Gg and Kk. The sight words was: his. Please add this to your student's ring of words and continue to practice.

In SEL (Social Emotional Learning) we learned about doing something on accident or on purpose. If something was an accident we say, "I'm sorry, it was an accident." We talked about ways we could show empathy when something is an accident and has hurt someone.

In math, we continued learning about subtraction. The students really seem to be getting the concept well. We learned that subtraction is taking away from the whole number.

We started Module 4 in reading. This module focuses on health. We read the books: Being Fit and Germs Are Not For Sharing. The vocabulary words were: exercise, energy, healthy, active, stretch, and weight. Ask your child to show you the sign language for these words.

In Social Studies we learned about place in the neighborhood. We learned about street signs, addresses, roads, etc.

### SUNSHINE KID-EMME

#### Favorites:

**Movie:** Hocus Pocus

**Color:** Green, Blue, All

**Thing at school:** Recess

### REMINDERS /NOTES

- Happy birthday to Emme and Maeve this past week! I hope their days were wonderful!
- Please remember to return your child's Friday folder and reading folder. We are missing several. Also, remember to take out the sight words and put them on the ring please.
- Please make sure you are sending your child with a coat everyday to school. It is very cold at our morning recess. Hats and gloves are not a bad idea to bring either. If your child is in need of a coat, but it might be difficult for your family to purchase one, please feel free to email me. I have some extra coats from my own children or the guidance counselor has extras. I am here to help!
- There will be an early dismissal on Wednesday, November 22nd. The students will be dismissed at 1:05 p.m. The kindergarten loop will begin at 12:55.
- There are a lot of illnesses going around. Please remember your child needs to be fever free for 24 hours (without medicine) in order to return to school. Also, if your child is coughing, has a lot of congestion, or any type of illness that will cause for an unproductive or uncomfortable day at school, please consider keeping them home. Rest is the best medicine! I put some articles and videos under the helpful links to guide you.
