## WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Qq

In phonics, we learned about the long and short o. We reviewed rhyming and learned how to identify the middle sound. Ask your child to show you the rollercoaster : )

In SEL (Social Emotional Learning) learned about having and showing compassion to others.

We continued to learn more about addition and subtraction within 10. We focused on decomposing 5-10. We will continue next week.

We continued with Module 4 in reading. We read the books: Get Up & Go and Stretch. The vocabulary words were: muscles, relaxing, and take care.

In writing the students are creating stories about Thanksgiving or decorating for Christmas. They will have a beginning, middle, and ending for their story.

In Social Studies we were learning about our town of Gretna and how it looked in the past. We also learned about the symbols on a map. Ask your child what a blue line on a map means.
