NOVEMBER 6-10

WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Cc.

In phonics, we continued learning about inflections, adding -s to a word. The sight word was: sits. Please add these to your student's ring of words and continue to practice.

In SEL (Social Emotional Learning) we learned more about certain types of feelings. This week was about the feeling of anger. We talked about how we feel when we're angry and what to do.

We learned about subtraction this week. The students learned that you take away instead of add to a group. They learned about the minus sign. We will learn more this coming week.

We finished Module 3 in reading. We read the book: A Piece of Home. The vocabulary words were: brave, expect, and ordinary.

For writing this week we started writing about Trick or Treating on Halloween. This will be a 3 page story with a cover and everything! They are super excited! We will finish the stories this next week.

REMINDERS /NOTES

- Please remember to return your child's Friday folder and reading folder. We are missing several. Also, remember to have your child bring back their library books. We have had some sad kiddos on checkout day.
- Please make sure you are sending your child with a coat everyday to school. It is very cold at our morning recess. Hats and gloves are not a bad idea to bring either. If your child is in need of a coat, but it might be difficult for your family to purchase one, please feel free to email me. I have some extra coats from my own children or the guidance counselor has extras. I am here to help!
- There will be an early dismissal on Wednesday, November 22nd. The students will be dismissed at 1:00 p.m. The kindergarten loop will begin at 12:55.
- On Thursday we got to see the 4th graders perform their Veteran's Day program. It was amazing for the kids to hear the music and the speeches. The 7th and 8th Gretna Middle School band also joined us. Happy Veteran's Day to all who have served or are currently serving.
