weekly newsletter

OCTOBER 16-20

## WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Rr.

In phonics, we learned about long and short letter li. The sight words were: "an" "has" and "it". Please add these to your student's ring of words and continue to practice.

In SEL (Social Emotional Learning) we learned more about our feelings and how we react when we see someone with a happy, sad, or interested face.

In math, we learned how to sort different groups by colors, sizes, shapes, and types of objects. Next week, we will be working on "ways to make" by joining groups and learning addition vocabulary.

We worked on Module 3 in reading and we read the books: Places in My Community and Map My Neighborhood. The vocabulary words were: earn, safe, and together. Ask your child to show you the sign language for these words.

We continued learning about weather in science. We created our own forecast for each day this week and learned how meteorologists make predictions about the weather.

## REMINDERS /NOTES

- Happy birthday to Sam on Saturday, October 21st! Sam and Paislee were the Sunshine Kids this week. They shared their posters and pictures with the class on Friday.
- Thank you to all of the parents who joined us for our kindergarten field trip to Nelson's Farm on Thursday! The kids had a great time and it was a beautiful day. The link to pictures is: <https://photos.app.goo.gl/g89xe7xgJs76v6YTA>
- There is no school for students on Friday, October 27th. It is a teacher in-service.
- Tuesday, October 31st is the Halloween Parade and classroom party. The parade will be at 1:30 and party will take place after. There are some slots still available. Here is the link: [Sign Up Genius](#). Please remember we would like you to sign up even if you plan on just attending. This helps keep track of the people in the school.
- At conferences, several parents were asking for ideas about managing their child's behavior at home and in public places. Each week or so, I am going to post articles with tips about behaviors parents may be struggling with. I figured I'd post for the whole group! Let me know if there are specific things you'd like to see in the future or need any help! It's okay to ask for help. No judging here! Parent-teacher communication helps us both!
