OCTOBER 9-13

## WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Bb.

In phonics, we learned more about the letters Cc and Pp. The sight words were: and, can, you. Please add these to your student's ring of words and continue to practice.

In SEL (Social Emotional Learning) we learned about our feelings and how react when we see someone with a sad face.

We finished learning about how to compare numbers 6-10. We played a few games learning this concept. Next we will move onto Sorting & Classifying.

We finished Module 2 in reading. We read the books: Tiny Rabbit's Big Wish and My Friends. The vocabulary words were: height, enormous, and wish. Ask your child to show you the sign language for these words.

We continued with science until on weather This week the focus was on weather patterns and the seasons. We talked about how the season go in a cycle or pattern. We learned that it is usually cooler in the morning and warmer in the afternoon. We will continue with weather

next week.

## REMINDERS /NOTES

- Happy birthday to Reagan & Paislee on Saturday! Reagan was the Sunshine Kid this week. Next week will be Paislee.
- Thank you for attending parent-teacher conferences. I loved getting a moment to share your child's progress at school and get to know you all. We had 100% attendance, which is awesome! It was a quick 15 minutes and I talk fast, so if you have any questions, let me know.
- The field trip to Nelson's will be on Thursday, October 19th. We will leave right away in the morning, so make sure your child is on time to school. I will send a more detailed note out on Wednesday with some reminders. As for now, just remember your child will need a disposable sack lunch! Praying the weather cooperates too!
- Tuesday, October 31st is the Halloween Parade and classroom party. The parade will be at 1:30 and party will take place afterwards. For this party to be successful, I will need your help. Here is the Sign Up Genius with more information and ways you can help or donate: Sign Up Genius Thank you to everyone who signed up. Please remember we would like you to sign up even if you plan on just attending. This helps keep track of the people in the school.
