

KINDERGARTEN

weekly newsletter

SEPTEMBER 25-29

WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Dd.

In phonics, we took a little detour to learn about the long and short sounds of the letter Aa. The sight words were: am, at, go. Please add these to your student's ring of words and continue to practice.

In SEL (Social Emotional Learning) we learned about being assertive. We will continue to talk about this for weeks. Ask your child what being assertive means!

We continued to learn about the numbers 6-10. We learned how to compose the number 10 as well.

We continued Module 2 in reading. We read the books: I Like Myself and ABC: I Like Me! We made a list about things we like about ourselves. The vocabulary words were: bother, same, change.

The students had guidance this week. They learned about the Zones of Regulation. You can learn more about the zones and how they might help you at home by clicking on the link on the right.

REMINDERS /NOTES

- Thank you for all of the donations and help with the Guardian Gallop! Here are the pictures from the day: [Guardian Gallop](#)
- Your child received a cute little monster courtesy of the 8th grade FCS class. The kindergartners designed a monster in August and the 8th graders made them! Here are pictures of them and their monsters: [Middle School Monsters](#)
- In your child's Friday Folder is your conference day and time. Please look it over and respond as soon as possible if the day/time works for you!
- We learned about the 4 seasons of the apple tree and how the apple grows. On Friday we made applesauce in the classroom. Here are the pictures: [Apples!](#)
- Each week or so, I will post a link with ideas of how to help at home with certain skills we focus on in the classroom. Please check out the link each week!
