WHAT DID WE DO THIS WEEK?

The students learned how to write upper and lower case Ee.

In phonics, we are learned more about the letters Tt and Bb. We reviewed compound words and syllables. The sight words were: by, my, to. Please add these to your student's ring of words and continue to practice.

The focus for math this week was the numbers 6-10. We learned how to count these larger groups by marking them as we count.

We start our 2nd module in our reading curriculum. We read the books I am Rene the Boy and Being Different Rocks! We learned 6 new vocabulary words: celebrate, research, pronounce, different, special, and participate.

In social studies we talked about families. We discussed how they change over time, family members, and what families do. The students learned what a family tree is.

The students had enrichment with Mr. Dinslage on Friday. He is the enrichment teacher. His lesson was on how important your name is. They liked meeting him!
